

Ultimate Fence

With Pastway Planing preserved wood products, your customers can build the Ultimate Fence:

Ultimate Fence Boards

- Classic 3/4" fence boards are sawn and planed 20% thicker than regular boards
- Boards are stronger and more stable, providing better value to the customer
- Premium stock is visually selected for consistently superior appearance
- Highly treatable species ensures superior preservative protection for durability.

Ultimate Fence Posts

- Premium 5x5 fence post is 25% larger than conventional posts, providing more strength for fences and gates
- Highly treatable Red Pine ensures superior preservative protection for long-term performance.
